

# To log in to Seesaw

## Follow these 7 steps:

1. Parents email your son's class teacher using the email addresses below to request his UNIQUE TEXT CODE. In the email please state your child's NAME (a separate email is required if you have children in different classes).

[3rd@stmalachysbns.ie](mailto:3rd@stmalachysbns.ie)

[4th@stmalachysbns.ie](mailto:4th@stmalachysbns.ie)

[5th@stmalachysbns.ie](mailto:5th@stmalachysbns.ie)

[6th@stmalachysbns.ie](mailto:6th@stmalachysbns.ie)

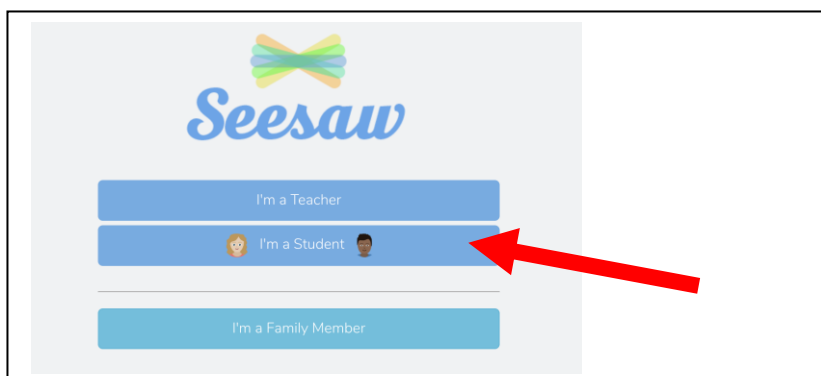

**\*\* All email's to teachers must come from a PARENT email account and not a child's email account. This is a child protection issue.**

2. The teacher will reply with the child's **UNIQUE TEXT CODE** to use with Seesaw.

### 3. **TO LOG IN TO SEESAW**

Go to <https://app.seesaw.me> on a computer or laptop. Or install the Seesaw **Class App** on a phone or tablet, iOS or Android device.

4. Choose **"I'm a Student"**.

5. Enter your unique code in the **TEXT CODE** box at the bottom.  
\*Ignore the email/password request.

The image shows a screenshot of the Seesaw Student Sign In interface. The top portion of the page, which includes the 'Sign In with Google' button, the 'Email' and 'Password' input fields, and the 'Student Sign In' button, is crossed out with a large black 'X'. Below this, there is a 'Seesaw for Schools Clever Sign In' link. At the bottom of the page, there is a 'TEXT CODE' input field with a red arrow pointing to it, a 'Go' button, and a 'Scan Code' button with a QR code.

6. **You are now in SEESAW. Children can follow the instructions to:**  
post to your Journal, respond to Activities, and view class Announcements from your teacher.
7. Remember, this code is like a password. Keep it safe!

If you have any problems along the way, PARENTS should email the class teacher using the email addresses in Step 1 above.
